

THE WINES OF KEVIN GRANT

Sauvignon Blanc 2025

Alcohol = 13.40 vol %

Res Sugar = 2.2 g/l

Total Acidity = 7.04 g/l

pH = 3.19

Cases: 4000 x 12

Bottled: April 2025

Release Date: May 2025

Winemaker's Notes

Each vintage is without fail different from any previous one – the variables of climate guarantee it. The weather was much more settled in the run-up to Harvest 2025. Picking got underway almost to the day of the previous two seasons - 21st February. Our latest Sauvignon Blanc vintage is simply exceptional, thanks to the very small and extraordinarily healthy grape berries, an ideal ripening tempo, and consistently moderate, dry conditions throughout the harvest. Unwavering dedication and meticulous selection ensured that only the finest fruit made it to the cellar door. This relentless pursuit of perfection has yielded a wine that is sublimely fresh and delightfully textured.

Wine Style

Our cool-climate, unwooded white wine celebrates vivacity, elegance, and finesse, crafted with minimal winemaking interference. It remains primarily an expression - an interpretation - of the free-draining Table Mountain Sandstone soils on which the vines seem to thrive. The Sauvignon Blanc grape is merely the chosen vehicle to convey the essence of these soils. Hence, our Sauvignon Blanc is a true *vin de terroir* (wine of the soil). Seamlessly incorporating the best elements of the Old and New World styles, it emphasizes **salinity**, **brininess** and **minerality** ahead of pure, pungent fruit, and is a wine of substantial poise, length, and charm.
